Welcome to the new Martial Heart of this century, one categorized as Agni Yoga.

### INTEGRATION SHEET

Each Sacred Mandalas takes a lunar cycle to integrate.  
Once completed, you can mark the associated checkbox.

We recommend to start with the **red Sacred Mandala** and end with the **purple Sacred Mandala**.  
Use the root Sacred Mandala during the complete process.

The diagram illustrates the integration process. On the left, a square box contains the root Sacred Mandala (red). To its right is a plus sign. Further right is a vertical rounded rectangle containing seven colored Sacred Mandalas: red, orange, yellow, green, light blue, dark blue, and purple. To the right of this is another vertical rounded rectangle containing eight moon phases: New Moon, Waxing Crescent, First Quarter, Waxing Gibbous, Full Moon, Waning Gibbous, Last Quarter, and New Moon. To the far right is a vertical rounded rectangle containing eight empty square checkboxes, one aligned with each moon phase.
